Proper Shoes for P.E

For students own safety when coming to PE, the expectation is that students are wearing appropriate shoes as it is essential for physical activity.

Athletic tennis shoes are built to provide support to the foot and ankle during physical activity, and as a result they help reduce the risk of fractures and sprains while active. We sometimes see leg, ankle and foot injuries that could have been prevented if proper athletic footwear had been worn. Please understand that the necessity of wearing proper shoes is 100% instruction and safety driven.

Gateway Student Lighthouse Leader's Application

Gateway Student Lighthouse Team members are to understand and practice the 7 Habits of Happy Kids. Members will work closely with the staff Lighthouse Team and make a positive impact for Gateway's students, staff, families, and community.

They will meet once or possibly twice per month during school hours to ensure Gateway's consistency as a Leader in Me school.

The application is for 3rd-5th grade students. A parent or guardian's signature is required before submitting the application.

Return all completed forms to Mrs. Crocco or Mrs. Thomas on or before October 1, 2021.

FOOD & NUTRITION SERVICES UPDATE

As school foodservice programs are making preparations to return to normal service and menus, we are facing unprecedented issues with the supply chain that will cause us to alter our posted menus with little to no notice. We are working closely with our distributors and manufacturers to secure both the food and supply items needed to support our program.

While it is our intention to serve the posted menu each day at every school, supply issues will not make this possible throughout the school year until the supply chain issues are rectified. We will always attempt to substitute the scheduled menu item with another that is as similar as possible to the extent we are able to do so.

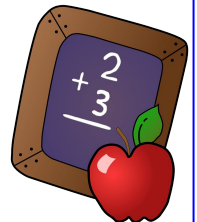

Please know that we will always provide wholesome meals each and every day.

Dismissal Storm Procedures Cypress Cay and Regular Walkers

When we receive a lightning alert and/or it's raining too hard for students to walk home, we will hold all walkers under cover until the alert/rain has been cleared. Please be patient as we try to notify families.
